Exciting news from our Public Information/Professional Outreach Committee

- We had a table at The Pennigton Women's Wellness Day where our 4 volunteers gave away over 100 pens (has our info on it) & had to restock with additional OA literature!
- Tami M. gave an anonymous interview explaining what OA is about to a journalist from the Advocate doing a feature on the obesity issue in our area. The journalist is currently writing an article based on the interview. More info is coming as to when & where the article will be published.
- If you have any additional tips for carrying the message to the local community, please contact Tami.
- Get ready for all the newcomers on the way to us seeking recovery!
- **Reminder: We offer temporary Sponsorship to newcomers. Any abstinent sponsor can offer to take the newcomer through the first 12 days right there in the meeting. If no one does, contact Pat to arrange one.**
